1. EXECUTIVE SUMMARY

1.1 INTRODUCTION

Krantiagrani Dr. G. D. Bapu Lad Mahavidyalaya Kundal was established in the year 1998. The functioning of the college is thoroughly derived from its motto which is “Swawlamban, Swabhiman, Swadeshprem hech Amache Brid”. (Self-respect, self-reliance and patriotism is our motto). This motto is being fulfilled by imparting the higher education to the students of Kundal and nearby villages and preparing them to face the challenges of the fast changing world. Since establishment of the college, from 1998, twenty-one batches have been graduated from 9 programmes offered under faculties of Arts, Commerce, Computer Application and Science. The college offers various free-ships and scholarships as per eligibility and undertakes various capacity building and skills enhancement initiatives. Various curricular and extra-curricular activities are organised in tune with vision and mission of the college. As a result, the enrolment of the girl students and deprived sections of the society is increasing significantly. After completing degree course our students pursue higher studies in various subjects. The Alumni are now serving in various reputed private/ public sector organizations. We have succeeded in creating educational awareness among the people of Kundal and nearby villages especially about the importance of higher education of girls.

Vision

“Committed to provide value based quality higher education and harness inherent potentials in the rural students to develop human resource equipped with contemporary skills to enable them to be self reliant and contribute to nation building.”

Mission

The Mission of Gandhi Education Society, Kundal and college is same, that is “Swawalamban, Swabhaiman, Swadeshprem Hech Amache Brid”. (Self-reliance, Self-Respect, Patriotism is our Motto.)

Aims and Goals:

According to vision and mission the college has set following aims and goals:

- To cater the needs of quality higher education of the socially and economically backward rural students and make them self reliant and competent to face the challenges of the fast changing world.
- To create an awareness about value based and quality higher education among the students.
- To facilitate and support teaching and learning by developing and maintaining educational infrastructure.
- To provide Distance Education for the educationally deprived students in Kundal and nearby villages.
- To strive for excellence in higher education through quality teaching and encouragement for research.

Institutional preparedness for NEP

1. Multidisciplinary/interdisciplinary:	The state government of Maharashtra has accepted the National education policy (NEP) and it is likely to implement it from the academic year 2022-23. In the purview of NEP, the affiliating university is preparing the curriculum in Multidisciplinary/interdisciplinary nature. The faculties has informal discussion about the nature and scope of NEP and well aware about Multidisciplinary/interdisciplinary approach. At present, some courses are Multidisciplinary or interdisciplinary in approach, for example, Science Technology and Development for B.A.-I and Environment Studies for B.A.-II. The college will implement Multidisciplinary/interdisciplinary course, in future, as per directives of the affiliating university.
2. Academic bank of credits (ABC):	As per UGC and affiliating university instructions, at present, the college follows Choice Based Credit System across the programmes. However, the affiliating university is in the process of introducing Academic bank of credits (ABC) and has asked all the colleges to appoint the coordinator for implementation for the same. Accordingly, the college has appointed the coordinator for it.
3. Skill development:	The college follows traditional curriculum prescribed the affiliating university but an utmost care has been taken for Skill development of the students. It has add-on courses like Hindi Translation Course, Sutrsanchlan aani Nivedan, Accounting with Tally, Travel and Tourism, Panchayti Rajya, Fundamental of Remote Sensing and GIS, Basic Web Technology, Agri. Business Cab, Basic Course in English Language and Communication etc. These courses aim at skill development of the students. The college is committed for overall development of students and it will focus on skill development of students as per implementation of NEP by the affiliating university.
4. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course):	The prescribed syllabus by the affiliating university is enriched with Indian Knowledge system. It focuses on Indian culture and values. The college also has two Indian languages as a part of curriculum namely Hindi and Marathi. However, as per NEP, third Indian regional language will be introduced in tune with the affiliating university directives.
5. Focus on Outcome based education (OBE):	The college implements the curriculum designed by

	<p>the University in its all 9 programmes. This curriculum has stated Programme and course outcomes. All students and faculty are well aware of it. Students choose the programmes according to stated Program Outcomes (POs) and Course Outcomes (COs). However, the college will implement the curriculum designed by affiliating university in tune with Outcome based education (OBE) as per its directives.</p>
<p>6. Distance education/online education:</p>	<p>The college functions in regular mode and all the courses are taught physical presence. However, during covid-19 pandemic, the state government of Maharashtra and the affiliating university had directed all affiliating colleges to teach in online mode. Accordingly the college has developed its ICT facilities to enable the smooth functioning of teaching and learning process. The college, at the present, is well equipped with ICT facilities necessary for distance education/online education. It will introduce distance education/online education as per directives of affiliating university.</p>

4. Quality Indicator Framework(QIF)

Criterion 1 - Curricular Aspects

1.1 Curricular Planning and Implementation

1.1.1 The Institution ensures effective curriculum delivery through a well planned and documented process

Response:

Being an affiliated college, The College follows the curriculum designed by Shivaji University. Hence, following activities are implemented for the effective delivery of curriculum:

1. Academic Calendar:

The college prepares academic calendar according to prescribed working days by Shivaji University Kolhapur, in consultation with IQAC and inputs from various departments and committees.

2. Faculty and Departmental Meetings:

In the beginning of academic year, the meeting of all faculties is arranged by the principal. Instructions are given therein to prepare and submit the academic calendar and teaching plans for the academic year. Department wise meetings are also conducted to assure effective implementation of teaching plan and its activities related time table, annual teaching plans, workload distribution and departmental activities for the year.

3. Timetable:

The timetable committee prepares timetable of the college for teaching and is communicated to the faculty and the students. Departmental timetable is prepared by respective departments.

4. Teaching plans:

As per syllabus and allotted teaching hours, teachers prepare teaching plans. To complete the syllabus within the stipulated time, teaching plans are prepared by considering the academic calendar of the university and the tentative schedule of the examination programme.

5. Revised syllabus workshops:

The university, through its affiliated colleges, organizes workshops on revised syllabus for its effective delivery. The faculty members are encouraged to participate in such workshops. During the last five years the teachers have participated in 60 workshops on the revised syllabus.

6. Use of teaching aids and ICT facility:

Faculty members are encouraged to use suitable teaching aids and ICT enabled teaching methods for effective curriculum delivery. College has provided ICT infrastructure including Computer Lab, Internet

facility, Language lab and Wi-Fi facility to the faculty and students in the campus. The faculty of the college use PPT presentation in teaching process for effective delivery of curriculum. Google classroom, Google forms, YouTube, Zoom meetings etc. are being used for effective delivery for the curriculum.

7. Continuous Internal Evaluation System:

Internal Exams Committee prepares annual schedule for internal evaluation system for the students. Tests, home assignments, tutorials, seminars, projects, group discussions, field visits and university examination are conducted cautiously and effectively to assess the academic progress of the students.

8. Syllabus completion reports:

Faculty members complete their syllabus within stipulated time according to their teaching plans. The submission of syllabus completion report is made compulsory and it is regular practice of the college.

9. Slow and Advanced Learners:

All departments of the college analyze the results of the students and the list of the slow learners and advanced learners is prepared. For slow learners, special attention is given to exercise the curriculum to ensure their improvement in study, whereas additional activities are arranged for advanced learner.

10. Role of IQAC:

1.1.2 The institution adheres to the academic calendar including for the conduct of CIE

Response:

The college prepares the academic calendar at the beginning of every academic year as per guidelines of affiliating university. An utmost care has been taken for continuous internal evaluation of students achievements on each level of their learning. The Internal Exam Cell prepares all the activities related to internal evaluation of the students. The schedule of internal evaluation is incorporated in the academic calendar of the college. The internal exam cell ensures that all departments should adhere to the schedule chalked out in the academic calendar. The schedule of internal evaluation includes information about tentative dates for unit tests, home assignments, seminars, and such other activities, besides curricular, co-curricular, and extra-curricular.

Home assignments, unit tests, seminars, project works, etc. are used for the assessment of the outcomes of students' learning. The college ensures effective running of them by following way:

Home assignments:

The students have to submit two home assignments per course per semester as it helps to develop the writing skill.

Unit Tests:

Two unit tests along with surprise or open book test per course per semester are conducted in the classroom to inculcate examination culture.

Group discussion:

The group discussion is arranged by the subject teachers to enhance the subject knowledge, vocabulary skills, confidence, etc.

Seminars:

Topics are assigned to the students, and they are asked to present the seminar on that topic. The performance of the student is evaluated by subject knowledge, and the skills of presentation.

Project work:

The students undertake group projects as per university guidelines. The final year students have to submit a project work in the last semester, across all UG programmes.

Lab Practical Works:

The practical work for B.Sc. and B.C.A. students are assigned according to their batches for real life experience of their learning.

The overall performance of students is evaluated by these internal evaluations. Students are guided according their performance by the concerned teachers. The assessed Home Assignments, Unit tests are discussed the students which help them understand their errors, and rectify these mistakes and solve answers properly in the university examination. As a result, the continuous internal evaluation has proved very effective from the perspective of performance in the university examination.

4.2 Library as a Learning Resource

4.2.1 Library is automated using Integrated Library Management System (ILMS)

Response:

Library automation is playing an important role in library management. The library automation process started from the year 2019 with “**Vidyasagar**” integrated library management system maintained in local server. In 2022, software is upgraded with web based version. This software consists of cataloguing, circulation, serial control, stock verification, user management, reports and OPAC modules etc. 05 computers are used in library management process. Some of the features of Software are as below:

Acquisition System:

Automates the acquisition process, ordering, receiving, claiming materials from suppliers and returns and cancellations of materials. Acquisition can be done online if system is linked to an external network.

Cataloguing System:

It is used for Creation, storage, retrieval and management of bibliographic records and indexes.

Circulation System:

It Handles circulation activities such as lending, return, renewal and place on hold.

Serial Publications Control System:

It is helpful for Manages placing, cancelling, claiming of orders; returning defective, unwanted and unordered material and accounting and statistical information.

OPAC:

It provides staff with an information management system. This includes automatic monitoring of loans and accounts, making claims, putting holds on materials being borrowed, etc.

News Paper :

It includes daily prices, Incoming daily papers, incoming reports etc.

4.3 IT Infrastructure

4.3.1 Institution frequently updates its IT facilities including Wi-Fi

Response:

The college functions in regular mode and all the courses are taught physical presence. However, during covid-19 pandemic, the state government of Maharashtra and the affiliating university had directed all affiliating colleges to teach in online mode. In second cycle of accreditation, there was a recommendation to “Increase use of ICT in teaching-learning”. Accordingly the college has developed its ICT facilities to enable the smooth functioning of teaching and learning process. IQAC took the issue ICT up gradation with utmost priority in its scheduled meetings. During the last five years, the college has developed following IT facilities and Wi-Fi to facilitate smooth functioning of teaching, learning and administration process:

- 10 Classrooms and 01 seminar hall are provided LCD projector, computer and internet connectivity.
- Administrative office and library are fully computerized with the necessary software.
- There are 68 computers and 01 laptop available for ICT needs.
- There are 02 Xerox machines and 06 printers, to facilitate academic, the office and library needs.
- 12 LCD projectors are there to meet daily technical needs of teaching and learning.
- 01 flatbed and 01 high speed scanners are available for digitisation of documents.
- To take care of power backup, the college has installed inverters of 5 KV capacity for computer lab and library, 2 KV for IQAC room, internal exam cell and office.
- In order to meet the demand for internet connectivity, 75 Mbps speed has been made available from Rail Wire.
- Free Wi-Fi facility has been provided to students and staff for smooth functioning of teaching and learning.
- The college hires technicians to take care of the IT facilities.
- The technician updates all the computers with anti-virus as per the demand.
- The technician updates computer labs by installing the necessary applications and software.
- 3KV solar panels with wheeling to grid were made available.

From National Education Policy 2020 perspective, the college, at the present, is well equipped with ICT facilities necessary for distance education/online education. It can introduce distance education/online education as per directives of affiliating university.

5.3.2 Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Response:

The students are critical stakeholders of the college; therefore, their representation in the management and administration of its various functions and activities is very important. "Student Council" is a platform for the students to explore their hidden qualities and develop leadership skills through their participation in various college activities. The college forms a "Students Council" for every academic year as per the provisions of sections 99 (1) and (3) of the "Maharashtra University Act 2016" and the norms of the affiliating university. Two meetings of the Student Council are organised in an academic year. The formation of the students' council is as follows: The Chairman of the Student Council is the Principal of the College, and members of the council are the NSS Programme Officer, Director of Physical Education, one student from each class (the selection is based on his/her academic performance in the last examination), one student from Sports, NSS, and Cultural Cell nominated by the principal, and two female students nominated by the principal from categories (SC/ST/NT/VJNT/OBC). The Secretary of the respective Student Council is elected by members of the Student Council. The Student Council plays a significant role in all conferences, workshops, sports events, and functions. It helps to improve leadership qualities, confidence, sense of responsibility, and active participation among students.

The following are the academic and administrative bodies that have student representatives:

- **IQAC:** The student representative on the IQAC contributes significantly to the planning, development and quality sustenance of the institute.
- **Anti-ragging Committee:** Suggestions from the student representatives in the committee help in the implementation of preventive measures.
- **Internal Complaint Committee (Prevention of Sexual Harassment Committee):** Suggestions from the committee's student representative aid in the implementation of preventive measures.
- **Grievance and Redressal Committee:** Academic, library, infrastructure, sports, and other issues are discussed and resolved with the student's representative.
- **Cultural Committee:** The annual festival is organised every year by the students. The funds for the same are raised by the students, and over the year they have created excellence in fashion shows, solo and group dances, etc.
- **NSS:** Through NSS activities like a lecture, workshop, rally, or any social event, our students are well represented and actively involved in the effective implementation of events. The NSS 7-day special residential camp's planning and execution by the students can be the best example of students' involvement.

The students' representatives play an active role in organising various events in the college, such as

Fresher's Day, Independence Day, Annual Day, Sports Day, College Cultural Programme, SUK Youth Festival, and celebrations of all important festivals. The College ensures that students are involved in the decision-making process and are empowered to have a say in matters concerning them. The following are some more committees that have students' representatives:

- **Scheme to Earn and Learn**
- **Library Advisory Committee**
- **Gymkhana**
- **Study Tours and Excursion Committee**

5.4 Alumni Engagement

5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Response:

The Krantiagrani G.D. Bapu Lad Mahavidyalaya (KGDBLM) Alumni Association was established on March 5, 2020 (Sangli0000050/2020) under the Registration Act, 1860, and it is well established and

active.

The Alumni Association creates emotional and psychological bonding among the alumni and current students to bring together like-minded individuals. The alumni come forward to share their experiences with the juniors. The students are also provided with various suggestions by their seniors about their future plans and prospects. The alumni meet is organised once a year by the association that provides a platform to share their experience, technical knowledge, and best practices, which has encouraged and motivated the students of the institute. The former students share their professional experiences with the students, which enables them to gear up for the competitive world. Alumni play an important role in the development of an institution in terms of financial and non-financial support.

OBJECTIVES

- To significantly increase alumni interaction with the institution in order to improve the institution's approach to providing intellectual nourishment to students.
- To foster and keep alive loyalty to the institution and create concern for its welfare.
- Inculcate the exchange of ideas among alumni and between alumni and students.
- To assist current students to achieve their goals by means of mentorship and scholarship setup through alumni.

RESPONSIBILITIES

- To maintain an up-to-date and detailed database of the alumni.
- To highlight alumni success in order to boost the college's credibility and reputation.
- To plan and promote a platform for interaction between all stakeholders of KGDBLM.
- To promote the interests and welfare of the alumni association.
- Maintaining a positive relationship with the alumni body

Criterion 6 - Governance, Leadership and Management

6.1 Institutional Vision and Leadership

6.1.1 The governance of the institution is reflective of and in tune with the vision and mission of the institution

Response:

Vision of the College:

“Committed to provide value based quality higher education and harness inherent potentials in the rural students to develop human resource equipped with contemporary skills to enable them to be self reliant and contribute to nation building.”

Mission the College:

The Mission of Gandhi Education Society, Kundal and college is same, that is “Swawalamban, Swabhaiman, Swadeshprem Hech Amache Brid”. (Self-reliance, Self-Respect, Patriotism is our Motto.)

Aims and Goals:

According to vision and mission the college has set following aims and goals:

- To cater the needs of quality higher education of the socially and economically backward rural students and make them self reliant and competent to face the challenges of the fast changing world.
- To create an awareness about value based and quality higher education among the students.
- To facilitate and support teaching and learning by developing and maintaining educational infrastructure.
- To provide Distance Education for the educationally deprived students in Kundal and nearby villages.
- To strive for excellence in higher education through quality teaching and encouragement for research.

The governance of the college:

- The college functions as per the rules and regulations of the UGC, State Government of Maharashtra, and the affiliating university, Shivaji University Kolhapur.
- The Maharashtra University’s Act 2016, the Statues and the Ordinance made therein are strictly observed in the governance.
- The IQAC and College Development Committee play a vital role in planning, monitoring and evaluating of various curricular, co-curricular and extracurricular activities in tune with the vision and mission of the college.
- The IQAC, CDC and other statutory committees have been formed as per rule and regulations having representation from teaching, non-teaching stakeholders and stakeholders from the Management and society.

Reflection of Vision and Mission

The college plans and executes all its academic, administrative and developmental programmes in tune with the vision and mission. The reflection of it can be seen in following activities of the college:

- The college offers 9 degree programmes. Various courses under B.C.A. and B.Sc. were introduced to acquire contemporary capabilities in science and technology field.
- Co-curricular and Extra-curricular activities are planned with intent to improve overall personality of the students and make them globally competent.
- The college has hosted district youth festival in the year 2016-17.
- It organizes state level eloquence competition every year to develop leadership qualities and oratory skills.
- The college organizes various functions and events so as to inculcate value-based education among students.
- The college doesn't make any distinction based on sex, region, religion, caste, creed or class.
- The college believes in the principles of liberty, equality and fraternity, which foster humane democratic values.
- The college tries to uplift the downtrodden and socio-economically deprived.
- Several free ships and welfare schemes such as 'Student Aid Fund' are offered to provide life support.
- Outreach programmes and extension activities are organized through NSS which aim at community development.

These programmes inculcate values and promote sense of social responsibilities among the students.

6.1.2 The effective leadership is visible in various institutional practices such as decentralization and participative management

Response:

As the college grows bigger by expansion, decentralization becomes necessary as well as practical. As a result, the administration of the college has been fairly decentralized. IQAC of the institution functions as a coordinating agency among Teaching Staff, administrative staff, and College Development Cell (CDC).

The principal of the institution is assisted by the HODs, Librarian, Physical director and administrative staff. The required powers are delegated at these levels. The HODs and senior clerk are assisted by their subordinates. Thus, the college powers are dispersed by extension and delegation through all levels of managements. Decentralization tends to create the climate by taking additional responsibilities and challenges. The assistants get experience for growth and development of institution.

The teachers also participate in the administration through various committees. There are 37 such committees active in the institution. Regular meetings for such committees are held and their feedback is discussed and implemented.

IQAC sets all the development plans of the institution according to the inputs received from various stakeholders. All the plans are discussed and approved in CDC.

The institution also believes in participative management. All the IQAC members are appointed as per guidelines given by NAAC. There are representatives from, governing body, administrative staff, students, alumni, parents and local body members. This hierarchy in the administration and participative management helps to improve the quality of education and ensures the development of institution.

Case Study: Organisation of District Level Youth Festival

The cultural department of the college organised district level youth festival on Wednesday 28th September 2016. The success of this event relied requirement of enough human power and active participation of teaching staff, administrative staff, students, management and other stake holders.

The Process:

As per discussion in the meeting of IQAC dated 4th July 2016 and subsequent approval by Local Management Committee, the college decided to propose for youth festival.

The Planning and Execution

Accordingly Mr. V. R. Mane coordinator of Cultural Committee made the proposal to Shivaji University Kolhapur. As the proposal was accepted, a committee appointed by Shivaji University visited the college on 17th September 2016 to inspect physical facilities and preparation of the college as well as other necessary matters related to the youth festival. The committee members expressed their satisfaction after examining the essential facilities for the Youth Festival. The affiliating university approved the proposal and sanctioned an amount of Rs. 250000/- for the event.

Decentralisation of Powers and Responsibilities:

For smooth functioning of the event, participation of various stake holders such as the members of Managing Council, local industries, parents, teaching staff, administrative staff, N.S.S. volunteers and students were ensured. All the stakeholders actively participated. They were assigned responsibilities by forming 14 committees for the event. 43 Colleges from the Sangli district participated in the event. The total number of students' participants was 1127. The affiliating university also honoured the college for effective organisation of the event.

6.2 Strategy Development and Deployment

6.2.1 The institutional Strategic / Perspective plan is effectively deployed

Response:

There were some suggestions by NAAC after the second cycle of accreditation in December 2012. The IQAC, in its subsequent meetings, has made year wise strategic plan to accomplish the recommendations of the Peer Team for quality enhancement of the college. The major recommendations were given by NAAC includes:

- Upgradation of the qualifications of the teachers.
- Research and publication activity to be strengthened by taking up more research projects, organizing seminars/workshops and having quality publications.
- Library to be automated and strengthened by adding more books, journals and space.
- PG courses like M.Com, M.S.W., M.B.A. may be introduced.
- Need to introduce more number short-term add on courses on skill development.
- Increase use of ICT in teaching-learning.
- Career and counseling cell need to be strengthened.
- Need to mobilize resources from various funding agencies.
- Better play-ground facilities may be provided.
- Institution need to reduce drop-out rate.

The IQAC took initiatives to fulfil the recommendations in a planned manner for quality enhancement of the college and as a result:

- At the present maximum numbers of teacher hold Ph.D. degrees.
- There is significant boost in research publication, research projects, books and paper publication.
- New library building has been made available with more space, books and journals.
- New degree program B.Sc. has been introduced along with short term courses.
- The college offer short term courses that fulfil the need of skill development.
- The campus has been provided ICT and Wi-Fi facilities.
- Career and counseling cell has been strengthened and there is a significant boost in placement post-NAAC accreditation phase.
- The college has mobilized resources from UGC, affiliating university, Alumni Association and Parent institution.
- A better play-ground facility is provided by signing MoU with local bodies.
- The college has minimized the drop-out rate by offering free-ships to the needy students.

Example:

RESEARCH AND PUBLICATION ACTIVITY

The IQAC has set parameters to boost research and publication activity in a planned manner. The faculty is

encouraged to undertake Research projects funded by UGC and affiliating university. There is considerable growth in the publication by the faculty and the college is organizing workshops and seminars on regular basis for students and teachers. Most of the teachers have acquired Ph.D. degrees and 6 teachers are recognized Research Supervisors for M.Phil/PhD.

The comparative analysis of research and publication activity makes it clear:

Sr. No.	Research Activity	Cycle 1	Cycle 2	Cycle 3
1	Research Degrees (Ph.D)	00	03	11
2	Research Supervisors for M.Phil/PhD	00	00	06
3	Research Projects Undertaken	00	00	08
4	Organization of Seminars/workshops	00	04	13
5	Books	00	00	06
6	Research Papers	00	02	127

Due to planned execution, the research activity of the college has seen overall growth in the third cycle of the accreditation.

6.2.2 The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment, service rules and procedures, etc.

Response:

There are various functional bodies which ensure smooth, effective and efficient working of the college. Being an affiliated college providing higher education, the college follows the guidelines, Statutes and Mandates of UGC, Shivaji University Kolhapur and the State Government of Maharashtra. It has following are the vital organs which ensure smooth functioning of the college:

1) Gandhi Education Society Kundal:

It is the highest body at the institutional level. The Managing Council of the Sanstha makes and governs various policies and procedures regarding infrastructural development, financial assistance, various policy decisions, strategic planning, etc.

2) College Development Committee:

The College Development Committee, previously known as Local Management Committee is the highest

governing body at the college level. It is formed as per Maharashtra University Public Act, 2016. It prepares the budget and gives sanctions to the financial statements of the college, recommends the management regarding recruitment of the teaching and other posts, discusses the academic progress of the college and makes recommendation to the management for the improvement of the overall quality of college. It advises the principal of the college on academic and other activities of college.

3) Internal Quality Assurance Cell:

The IQAC is the core and principal functional body at the college level and it monitors the functioning of all other committees and keeps coordination for quality assurance. It prepares perspective plan for every academic year as well as long term development plan of the college. It prepares Annual Quality Assurance Report and submits the same to the NAAC office. It collects feedback from the stakeholders and suggests improvements after a thorough analysis of the feedback through the feedback Analysis Committee.

4) Statutory and Functional Committees:

Various statutory, non-statutory and functional committees such as IQAC, Anti-ragging committee, Grievances Redressal committee, Internal Complaints committee, Student Council committee, B.C. Cell Standing Committee, Gymkhana committee, Cultural committee, etc. are formed under the guidance of the Principal and as per rules and regulations. Curricular, co-curricular and extra-curricular activities are planned, organised and monitored through these committees.

5) College Administration:

The office, under the guidance of the senior clerk, looks into the matter related to admission, eligibility and examination. It provides the official support necessary to maintain records and to communicate with the different stakeholders of the college.

6) Service Rules, Procedures, and Recruitment:

Service Rules, Procedures, and Recruitment and policies are followed for teaching staff as per Maharashtra Public University Act 2016, UGC and Shivaji University Kolhapur circulars and regulations. The recruitment of Non-teaching staff is made by management as per pattern approved by Deputy Director Office, state Govt. Maharashtra. Teaching staff follow the PBAS and ASAR of the affiliating university for the promotion of the teachers under CAS. The parent institute promotes members of non-teaching staff signed by the principal as per their Confidential Reports.

- Solid waste management
- Liquid waste management
- Biomedical waste management
- E-waste management
- Waste recycling system
- Hazardous chemicals and radioactive waste management

Response:

The college is committed to provide higher education with healthy environment. It ensures that all the stake holders should have sound health. Accordingly, the college and the N.S.S. department plan all activities related to waste management. It handles the various waste management activities as follows:

Solid Waste Management:

- Being an academic institute solid waste is larger source of the waste in forms of papers, books, journals, exam papers etc.
- Such solid wastes are collected by all departments.
- Dustbins are kept at various departments and in campus to collect it.

- The paper stationary is scraped as per scrap policy.
- University exam papers are collected by the affiliating university for recycle purpose.
- To reduce paper consumption and practice paperless work, college mostly follows WhatsApp and email E-mail for communication.

Liquid waste management:

- Liquid waste of urinals and girls hostel is managed through proper drainage system.
- Waste water is drained to trees in the campus.
- Liquid waste which is not possible to recycle is drained to Grampanchayat drainage system.

E-waste management

- The E-waste such as spare parts of computer is stored properly.
- One technician on work basis is appointed to look after the waste management. Repairable computers are repaired and reused.
- Non repairable monitors, CPUs, electronic devices and scrap materials are submitted to office for further recycling and appropriate disposal.

Hazardous chemicals:

- Chemicals used in laboratory of department of chemistry are collected by the waste collection vehicle of the Gram Panchayat Kundal according to MoU between college and the Grampanchayat of Kundal.
- Less hazardous chemicals are immersed deep into soil behind the laboratory through a pipe line.

Biomedical waste and radioactive waste management:

- There are no radioactive and biomedical wastes in the college.

7.2 Best Practices

7.2.1 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Response:

Best Practices 1

1. Title of the practice: Website Creation and Hosting

2. Objective of the Practice:

- Introduce new technical languages to students.
- Describe study about data collection and feasibility study.
- Study about maintenance of website after hosting.

3. Context:

Shivaji University Kohapur offers syllabus for BCA students useful for IT field carrier opportunity. BCA syllabus covers the different languages and OS systems for study. In that include C, CPP, and Java as a basic languages and HTML, CSS, ASP languages for web development. BCA I and II years students covers the knowledge about web development as a basic also we offer ADD-ON courses for web development. The faculties of the department discuss with student about their interest and guide them for online live project. BCA-II and BCA-III have mini project and major project for semester. Faculties practically show the students how to work on live project and how to handle live project.

4. Practice:

The department tries to prepare students as a business carrier in future. For it, the department tries to identify the local bodies in need of Website Designing and hosting. It tries to implement the knowledge of website creation and hosting of new students of departments. The student use HTML, CSS, BOOTSTRAP and PHP language for creating these websites. The students also gain knowledge about FTP transformation of data for data transferring to server with live stage. The students follow the SDLC formation for creating a website and hosting a website successively.

5. Evidence of Success:

- Students get exact knowledge about how to data collect from customer.
- Students understand distribution of data and also getting knowledge about feasibility study.
- Students perform well in how to maintain website after hosting
- Students follow earn and learn methodology.
- Students are also getting knowledge about marketing and business strategies, that all things are important in future for become start our business in IT sector also.
- BCA students gain perfect knowledge about web creation and create own live websites also get income from hosted website.
- BCA department students have completed following website successively-

Sr. No	Website address	Website description	Platform	Year of the Practice	Resources Generated
1.	www.pkmvkundal.co.in	School website	HTML, CSS, Bootstrap, PHP	2020-21	15000
2	www.panchshilacademy.com	Panchshil academy Palus website	HTML, CSS, Bootstrap, PHP	2019-20	15000
3	www.pkpskundal.co.in	School Website	HTML, CSS, Bootstrap, PHP	2018-19	15000
4	www.kgdbapuladcollege.in	College website	HTML, CSS, Bootstrap, PHP	2017-18	Done it free due to gratitude towards home

5	www.click2palus.com	Palus City Website	HTML, CSS, Bootstrap, PHP	2016-17	institute 35000/-
---	---------------------	--------------------	---------------------------	---------	----------------------

6. Problem Encountered and Resources Required:

- A communication problem arises between student and customer.
- Code repetition and code integrity not maintained by student.
- The time management issue for student for handling college and work get hardest.
- Customer availability problem arises to students.
- Website marketing and data collection issue for students.

Best Practices No. 2

1. Title of the practice: Start Credit System

2. Objectives of the practice:

- To bring about holistic development of students
- To gain more knowledge about textbook elements
- To increase the participation of students in classroom teaching
- To facilitate the teaching - learning process
- To inspire students to study by creating constructive competition
- To creating interest in the subject among the students
- To allowing students to apply the knowledge they have acquired

3. Context:

This scheme is used to accommodate the students in the classroom teaching process while teaching the subject. In recent times, students are not focused on classroom teaching. Students are often decentralized. By adopting this system, students get better results. This method is used to give the students an external knowledge of other elements which are in line with the subject matter. The student develops interest in the subject and the learning process goes smoothly.

4. The Practice:

Scheme format –

- When a student asked a question related to the subject for analyzing an answer or a point in a lecture, he/she will get 2** (2 Stars)
- Another issue raised by the same student on the same day. If he/she analyzed or of another question or answer, he/she with get 3 *** (3 Stars)
- On the same day the same student made another third point, if analyzed, he/she will get 4**** (4

Stars)

- As well as subject related information is to be collected through News papers, magazines, Books, internet etc. he will get 10 ***** (10 Stars)

(if more than one student brings the same information, then student who comes first, he/she will get the star)

- A student who plants a tree and brings a photo while planting will get 50 stars, and a student who brings a photo with the tree as proof of the tree conservation will get 100 stars.

Some rules for the plan:

- Each student must earn at least 12 (12 stars) working days in a week (6 consecutive days),
- If student doesn't earn at least 120 (12 stars) then he/she has to be given at least 15 minutes seminar on the component one of the subjects
- If a student could not obtain 12 stars for three weeks in a row then earned all stars to that day will be deleted.
- Photo of tree conservation have to be submitted before 4 days prior to the distribution program
- The stars of tree planting and tree conservation will be counted in the star of the year award.

5. Evidence of Success:

- Student class attendance increased
- The students developed interest in the relevant subject.
- The student's attention was focused on the classroom.
- The study teaching process becomes easier.
- Student begun to associate subject knowledge with practice.
- Student began to gain additional knowledge of the subject matter from other sources.
- Student began to express their views strongly.
- Students were inspired by the study.

6. Problem Encountered and Resources Required:

- The practice doesn't require any resources.
- Most of the students lack consistency in classroom performance

7.3 Institutional Distinctiveness

7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words

Response:

The Founder of Gandhi Education Society, Kundal, and whose name is given to the college, Late Dr. Krantiagrani G. D. Bapu Lad was a freedom fighter and founder member of the Parallel-Government movement in Satara District. He worked with the chief Exponent of the movement and the Great Revolutionary, Krantisinha Nana Patil. Till his last breath, Late Dr. G. D. Bapu Lad strived for betterment of the villagers. With same fervor, he founded Gandhi Education Society Kundal in the year 1949. When he realized that girls have to go outside for higher education and parents with conservative mindset are not ready for it, girls were deprived of higher education. So he started our college in the year 1998 to provide higher education to girls. The college follows his ideologies and revolutionary activities as the guiding principles. It is committed to provide higher education to girls and other deprived sections of the society. The college strives for it in the following way:

I) Gender Equity:

An emphasis has been given for girl's education and awareness of gender equity among the all sections of the society. The Women Empowerment Cell of the college organizes various activities to ensure gender equity. Internal Complaints Committee and Anti-Ragging Cell of the college ensure there won't be any issue related to sexual harassment.

II) Free-ships and Scholarships:

Following Free-ships and Scholarships are available to girls and other eligible students:

Department	Scheme
Directorate of Higher Education	Rajarshi Chhatrapati Shahu Maharaj Shikshan Shulka Shishyavrutti Scheme
OBC, SEBC, VJNT & SBC Welfare Department	Post Matric Scholarship to OBC Students
	Post Matric Scholarship to SBC Students
	Post Matric Scholarship to VJNT Students
	Tuition Fees and Examination Fees to OBC Students
	Tuition Fees and Examination Fees to SBC Students
	Tuition Fees and Examination Fees to VJNT Students
Social Justice and Special Assistance Department	Government of India Post-Matric Scholarship
Tribal Development Department	Tuition Fee & Exam Fee for Tribal Students (Freeship)
Shivaji University	Merit Scholarship

III) Curricular and Extra Curricular Activities for Girls:

Following activities during the last five years were organized for girl students:

A) Guest Lectures:

- "Women's Economic Self-Reliance" was organized on Saturday 14th March, 2020
- On the occasion of Women's Day, a lecture of Dr Sadhana Pawar on womens' health was organized on Friday 08/03/2019.
- A special program for women was organized on Thursday, 08/03/2018 Hon. Mrs. Dhanashritai Lad, President of Krantivirangana Vijaya Kaku Lad Vicharmanch Kundal, was the chief guest for this even.
- March 08, 2017, Womens Day was celebrated in the presence of Mrs. Pramilatai Pujari , the head-woman of the Kundal village.
- On Wednesday, 07/09/2016, a program on the topic of 'Awareness on Sexual Harassment' was organized by the Women Empowerment Cell.

B) Workshops and Webinars:

- During the academic year 2020-21, for gender sensitization, a national level webinar on "Gender Sensitisation and Contemporary Discourse" was organised on 5th September, 2020. 957 participants from all over India participated in this webinar.
- Internal Complaints Cell actively contributed for gender issues awareness. It organised a lead college workshop on "Mahila Sabalikaranatil Sanvad Kaushlyanche Mahatva" on 31/07/2021.
- The workshop "Step Up" was organized on 26/09/2017. Hon. Mr. Swapnil Shirsekar and Miss. Manjushree Fase were the chief guests of this workshop.

IV) Physical Facilities for Girls:

- A separate Ladies Room is made available for girls where they take rest.
- Sanitary Pad vending machine has been installed in Ladies Room for their convenience.
- Separate well equipped lavatories are available for them.
- Ladies hostel

V) Safety and Security of Girls:

- 32 CCTV cameras were installed in campus to ensure girls' safety and there are separate boys and ladies room.
- The college is well protected by wall-compound.
- Emergency Contact numbers of Internal Complaints Committee members are displayed college notice boards.
- No outsider is permitted in the college campus without any college work.
- Identity cards are made compulsory for all students while entering the college campus.

VI) Role of IQAC:

The IQAC plans all activities in tune with vision mission of the college. It has devised the prospective plan of the college by focusing on the deprived sections of the society. In its regular meetings, IQAC has successfully implemented the prospective plan. During the last five years:

- Done gender audit.
- Run mentor mentee scheme to reduce dropout rate of girls.
- Organized workshops/seminars for women.
- Augmented infrastructure and other facilities for women and Divyanjans.
- Organized health checkup camps.
- Provided student aid fund.
- Provided “Vidhyarthi Shikshak Palak Kalyan Nidhi” to the students who lost their parents.
- Ensured participation of girls in sports and cultural activities.
- Provided competitive exam guidance to girl students.

VII) Outcome of these Quality Initiatives:

- There is considerable improvement in enrollment of girls in the college.
- Girls are participating in curricular and co-curricular activities.
- Most of the girls are also top performers in university examinations.
- Many girls have won university scholarships during the last five years.
- Placement of the Girls has been also increased.
- Girl students have won prizes and medals in sports and cultural activities.
