- Teaching-learning process is enhanced
- Academic calendar was prepared for upcoming semester. Centralized time-table was prepared in terms of well define theory and modular practical schedule. Standardized exam schedule was followed in terms of quizzes & exams. Online teaching plan & protocols were available to students. Online system was developed for students attendance & academic record details
- The enrollment of the girl students is also increasing significantly. After completing degree course our students pursue higher studies in various subjects. The Alumni are now serving in various reputed private/ public sector organizations. We have succeeded in creating educational awareness among the people of Kundal and nearby villages especially about the importance of higher education of girls.
- RUSA application is submitted to the UGC through affiliated university, Shivaji University.
- All the programmes are regularly monitored with regard to teaching. The Feedback on Teaching was communicated to teachers, shared with faculty and suggestions/ recommendations were given by the Principal. This has helped in enhancing the quality of programmes. Organization of Lecture series/Conferences and Workshops, especially for designing new structure of curricula were conducted in few departments.
