Policy Document of Green Campus

Green Campus:

A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. Green Campus is an environment which improves energy efficiency, conserving resources and enhancing environmental quality by educating for sustainability and creating healthy, living and learning environments

Green Campus Initiatives:

1. Tree Plantation programme organized by NSS
2. Installed Solar Power generation plant
3. No Vehicle Day observed in campus
4. Displayed board of Save energy
5. Displayed board of Save Water
6. Plastic Free Campus
7. Use of LED lamps
8. Paper less communication
9. Organized environment sensitization programme such as Ozone Day, Geography Day, Environment Day
10. Green, Environment and Energy audits are conducted
11. Rainwater Harvesting and tube well recharge installed
12. Landscaping and Garden

The institute takes necessary efforts to involve the students and staff for green campus initiatives to keep campus, clean and green.

Incharge Principal
Krantiarani Dr.G.D.Bapu Lad
