<b>15.Multidisciplinary / interdisciplinary</b>	
The state government of Maharashtra has accepted the National education policy (NEP) and the college, as per directives of the	

affiliating university, has implemented it from the academic year 2022-23. In the purview of NEP, the affiliating university has prepared the curriculum in Multidisciplinary/interdisciplinary nature. The faculties has informal discussion about the nature and scope of NEP and well aware about Multidisciplinary/interdisciplinary approach. At present, some courses are Multidisciplinary or interdisciplinary in approach, for example, Science Technology and Development for B.A.-I and Environment Studies for B.A.-II. The college will implement more Multidisciplinary/interdisciplinary course, in future, as per directives of the affiliating university.

#### **16.Academic bank of credits (ABC):**

As per UGC and affiliating university instructions, at present, the college has introduced Academic bank of credits (ABC). The coordinator for implementation for the same has been appointed. Accordingly, the college has generated ABC id of the first year degree students across all degree programmes.

#### **17.Skill development:**

The college follows traditional curriculum prescribed the affiliating university but an utmost care has been taken for Skill development of the students. It has add-on courses like Hindi Translation Course, Sutrsanchlan aani Nivedan, Accounting with Tally, Travel and Tourism, Panchayti Rajya, Fundamental of Remote Sensing and GIS, Basic Web Technology, Agri. Business Cab, Basic Course in English Language and Communication etc. These courses aim at skill development of the students. The college is committed for overall development of students and it will focus on skill development of students as per implementation of NEP by the affiliating university.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

The prescribed syllabus by the affiliating university is enriched with Indian Knowledge system. It focuses on Indian culture and values. The college also has two Indian languages as a part of curriculum namely Hindi and Marathi. However, as per NEP, third Indian regional language will be introduced in tune with the affiliating university directives.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

The college implements the curriculum designed by the University in its all 9 programmes. This curriculum has stated Programme and course outcomes. All students and faculty are well aware of it.

Students choose the programmes according to stated Program Outcomes (POs) and Course Outcomes (COs). However, the college will implement the curriculum designed by affiliating university in tune with Outcome based education (OBE) as per its directives.

#### 20.Distance education/online education:

The college functions in regular mode and all the courses are taught physical presence. However, during covid-19 pandemic, the state government of Maharashtra and the affiliating university had directed all affiliating colleges to teach in online mode. Accordingly the college has developed its ICT facilities to enable the smooth functioning of teaching and learning process. The college, at the present, is well equipped with ICT facilities necessary for distance education/online education. It will introduce distance education/online education as directives of affiliating university.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The college implements the curriculum of the programs designed by the University. Teachers and students are well aware of the stated Programme and course outcomes of the Programmes. The College has clearly stated learning outcomes of the Programs and Courses offering in the College. The Program Outcomes (POs) and Course Outcomes (Cos) for each program desired by the university are brought to the notice of students and teachers. The hard copy of Programme and course outcomes is available in the college/departments for ready reference to the teachers and students. Learning Outcomes of the Programs and Courses are highlighted and made aware to the students through programs organised by the college. The importance outcomes have been discussed and communicated to the teachers in staff meeting. These also are reflected in the mission and vision of the college. These outcomes were put forth in each departmental meeting and were discussed and confirmed. These are uploaded to the college website. The teachers made aware of these through the college website which enables students to know the expected outcome of the program and visualize the importance of that course.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Our college is affiliated to Shivaji University Kolhapur which follows the curriculum designed by our affiliated university. The

utmost care of measuring the level of attainment of Pos and COs is taken. The formal as well as informal mechanism for the measurement of attainment of the outcomes is developed by IQAC. Feedbacks from all the stakeholders in this respect are collected and analysed for further action. The college takes care of the attainment of the POs and COs and implemented following mechanisms:-

- Followed the Academic Calendar of our affiliated university.
- All the subject teachers prepared Semester-Wise teaching and evaluation Reports.
- Internal examination committee analyzes evaluation reports of results.
- Feedbacks from the Stakeholders for the attainment of POs and Cos are collected.
- Placement committee takes the review of the Students' placement and Progression to Higher education.

The findings of evaluation are as follow:

- The strength of the students as well as passing percentage of the students has increased progressively.
- Students' progression to the higher studies that is from Under Graduate to Post is increasing consistently and rapidly in the last five years.
- The ratio of student's placement is also increasing.
- Students overall performance has increased.

Library automation is playing an important role in our library management. Library automation process started from the year 2012, software is upgraded with web based version. In 2019, "Vidyasagar" integrated library management system maintained in local server was introduced. This software consists of cataloguing, circulation, serial control, stock verification, user management, reports and OPAC modules etc. 05 computers are used in library management process. Some features of Software are as below:

#### Acquisition System:

- Automates the acquisition process, ordering, receiving, claiming materials from suppliers and returns and cancellations of materials.
- Acquisition can be done online if system is linked to an external network.

#### Cataloguing System:

- It is used for Creation, storage, retrieval and management of bibliographic records and indexes.

#### Circulation System:

- It handles circulation activities such as lending, return, renewal and place on hold.

#### Serial Publications Control System:

- It is helpful for Manages placing, cancelling, claiming of orders; returning defective, unwanted and unordered material and accounting and statistical information.

**OPAC:**

- It provides staff with an information management system.
- It includes automatic monitoring of loans and accounts, making claims, putting holds on materials being borrowed, etc.

**News Paper:**

- It includes daily prices, Incoming daily papers, incoming reports etc.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms )

The students are critical stakeholders of the college; therefore, their representation in the management and administration of its various functions and activities is very important. "Student Council' is a platform for the students to explore their hidden qualities and develop leadership skills through their participation in various college activities. The college forms a "Students Council' for every academic year, as per the provisions of sections 99 (1) and (3) of the 'Maharashtra University Act 2016', and the norms of the affiliating university. Two meetings of the Student Council are organised in an academic year. The formation of the students' council is as follows: The Chairman of the Student Council is the Principal of the College, and members of the council are the NSS Programme Officer, Director of Physical Education, one student from each class (the selection is based on his/her academic performance in the last examination), one student from Sports, NSS, and Cultural Cell nominated by the principal, and two female students nominated by the principal from categories (SC/ST/NT/VJNT/OBC). The Secretary of the respective Student Council is elected by members of the Student Council. The Student Council plays a significant role in all conferences, workshops, sports events, and functions. It helps to improve leadership qualities, confidence, sense of responsibility, and active participation among students.

“Committed to provide value based quality higher education and harness inherent potentials in the rural students to develop human resource equipped with contemporary skills to enable them to be self reliant and contribute to nation building.”

##### Mission the Institution:

The Mission of Gandhi Education Society, Kundal and institution is same, that is "Swawalamban, Swabhaiman, Swadeshprem Hech Amache Brid". (Self-reliance, Self-Respect, Patriotism is our Motto.)

Reflection of Vision and Mission The governance of the institution:

The college plans and executes all its academic and activities in tune with the vision and mission. The college functions as per the rules and regulations of the UGC, State Government of Maharashtra, and the affiliating university, Shivaji University Kolhapur. The Statues, and the Ordinance made in The Maharashtra University's Act 2016, are strictly followed. The IQAC and College Development Committee, formed as per guidelines, play a vital role in planning, monitoring and evaluating of various curricular, co-curricular and extracurricular activities in tune with the vision and mission of the institution. These activities are planned with intent to improve overall personality of the students and make them globally competent. The college is committed for upliftment of the downtrodden and socio-economically deprived class of society. Several free-ships and welfare schemes are offered to them. Outreach programmes and extension activities are organized to promote sense of social responsibilities among students.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

Major part of the college consists of cultural, regional, linguistic, communal socioeconomic background. The college is committed to maintain the social jargon among them. For it, various curricular and co-curricular activities through NSS and cultural department are organised.

N.S.S. students participate in different activities in an adopted village where they mingle with all communities. They practically learn tolerance towards cultures and living styles of others. The students of all cultural and religious backgrounds live together in adopted village for seven days of residential camp which helps them to learn each other's cultures.

Cultural department of the college organizes annual gathering in which students present different cultural activities emphasizing social and cultural harmony along with the national integrity. Celebration of Traditional Day provides ample space to students to present different cultural activities of all regions of the country such as: marriage ceremonies in all religions, vestures of all cultures and regions, food items of all cultures and regions etc.

Departments of the college organize study tours to different parts of the country every year. Students visit different geographical areas especially tourist points where cultural and social diversities of different regions are learnt. One of the purposes of organizing such study tours is to acquaint students with different regional, cultural, socio-economic, and linguistic diversities.

All these activities help to create awareness among students regarding cultural and social identities of other regions.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

The need read books mark our important points. The pleasure of physically reading a book and that on electronic devices is a completely different experience. So we want to promote book reading.

The Practice -

The following rules were laid down and communicated to the outside readers of the scheme:

1. The book shall be collected back by college after 30 days if not demanded by anyone can be reissued.
2. Readers are required to handle books and reading material very carefully.

Evidence of Success -

The reading material thinking helped them, take their minds

tension-free and reduce negative thoughts to so some extent.

#### Problems Encountered -

1. Some books have-not been returned by the readers.
2. Limited readers are benefited as readers had been to their native places.

#### Resources Required -

Non- teaching staff to deliver the books, photo -identity of the non-members and tie-ups with local other schools is required.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The college functions in a rural area. There are three other colleges in the Palus taluka. The college stands distinctive to its commitment to students' ability enhancement, particularly, it aims at oratory skill enhancement.

For it, the college runs a short term course in Marathi subject i.e. "????? ?????? ??? ??????". The students are regularly participating to the said course.

Along with it, the college organizes state level eloquence competition namely "Krantigrani Rajyastariy Vakrutuv Spardha". Skilled competitors from all over Maharashtra participate in this competition and students of the college get the chance to compete with them and know their communicative and presentation abilities. The college is the only college in Palus taluka to organize such state level eloquence competition.

Along with it, the college ensures that students should have interactions with eminent scholars and speakers to enhance their communicative and oratory skills by organizing their talks.

The success of this initiative lies in abundant response from students of the college and competitors from all over Maharashtra.
