Respected Sir / Madam,

Thank you, very much for the opportunity to deliver on our promises & allow you to experience firsthand benefits of working with **Biyani Technologies**. We are confident that you will be satisfied with the services that we offer.

The best performers in business don't hide behind their desks; they know that business is all about connecting people. It is our goal to not only meet your expectations but to exceed them. We are proud of our facility & our commitment to excellence.

As your needs change will be happy to help you evaluate those needs & offer you the services that will help you achieve your new goals. For anything to be discussed regarding Software Services, changes, designs, etc kindly write an email at the following address. And your queries will be replied and attended.

tasengineer.biyani@gmail.com

customerservice@biyanitechnologies.com

Or any kind of suggestion about our services or any further discussion with the company you can directly drop an email at the following address

info@biyanitechnologies.com

biyanitechnologies@gmail.com

Our alternate support helpline numbers are (9:00 am till 8:00 pm):

9850819973, 0231-2526373

First step of solving the problems will be on telephone where a support person will guide you about the problems and the method to solve it.

Second step of solving the problems will be with the help of team viewer through internet services. By which even you can see how the engineers rectify the problem and at the same time communication can also be done on both sides even.

Third step of solving the problems is by calling to our office where the support co-ordinator or the support executive will inform you a token number which will be referred to the issues you faced. The next time you call us refer to that token number to understand the present status of your work.

We always strive to provide you the best services. Kindly confirm the receipt of the mail.

Thank you & Regards

Biyani Technologies

E-GOVERNANCE POLICY

For the system of higher education institution like Krantiarani Dr. G. D. Bapu Lad Mahavidyalaya, Kundal, the use of ICT in the governance of the necessary aspects has become essential. It implies that all databases and information should be in electronic form and not manual. The workflow within all sections or departments should be automated to enable efficient governance in the college in order to serve all the stakeholders.

- 1) ICT is used to automate, transfer, and analyze the data or information in the college administration for all the purposes of Admissions, Workload, Timetable, Internal Assessment, Examination, Attendance, and Result etc.
- 2) It is also adopted for all the management aspects like Student Management, Campus management, Employees management and Administration management.
- 3) The manual tasks like record keeping, inventory, stock checking and filing have also transformed with the use of digital technology. The voluminous data is handled efficiently and smoothly under e-governance with less and less use of paper in office.
- 4) The Accounts are highly benefitted by the use of e-governance while handling the pay rolls, salaries, investments, balance of payments, fee collection etc. particularly aligned with the Govt. policy of digital payments in the institutions for better accountability and transparency.
- 5) The college library has expanded its services and resources most significantly for all the users with automation and digitization through use INFIBNET.
- 6) All the stakeholders of the college- students, teaching staff, administrative staff, and alumni come together under the umbrella of e-governance without space and time constraints.
- 7) In order to promote the use of ICT for the purpose of e-governance the administrative staff is trained and their capacity-building is taken up regularly to use the products and services of e-governance at the college.

E-governance works as the key of good governance by offering an effective, efficient, accountable and transparent administrative system in the college.
