## Activity Report with Aims and objectives

**Activity Name-** Administrative training program on 'YouTube Lecture Awareness / Google form Handling Awareness / Zoom Lecture Awareness'

**Venue-** KGDBLM, Kundal

Knowledge of computer is a need of daily life. If computer cannot handle then it is considered illiterate. Teaching staff needs to improve their knowledge about basic concept of computer and some basic knowledge about application software. This course includes the basic information about YouTube Lecture Awareness, Google form Handling Awareness and Zoom Lecture Awareness.

### Aims and Objectives of Computer Awareness Course –

1. YouTube is aiming to change the way it helps people search and discover content, in a bid to increase users and get them to stay on the site longer.
2. With Google Forms, you can create and analyze surveys right in your mobile or web browser—no special software required. You get instant results as they come in.
3. Video communications in education offers: 1) access to increased educational resources, 2) flexibility for the learner, 3) valuable global interchange, and 4) equal opportunities for students and teachers regardless of location.

In course duration Teaching staff learn the knowledge about that all factors with good practical work.
